# How to Build Credit as a Teenager

Once you turn 18, you can apply for a secured card with little to no credit history. Secured credit cards require a security deposit up front. The amount you deposit determines your spending limit.

For example, if you deposit \$500, your credit limit would typically be around \$500.

By using a secured credit card responsibly, you can demonstrate your ability to manage credit and make on-time payments.

## SECURED VISA®

Build positive credit history with our Secured Visa. The credit limit of this Visa card is determined by how much of a deposit you make to secure the card.

### Our Secured Visa features:

- A minimum deposit of \$500
- 14.99 APR • No Balance Transfer Fee

### CALIFORNIA NOTICE

THIS INSURANCE MAY NOT COVER AN ADVANCE OR CHARGE UNDER YOUR CREDIT LINE IF YOUR DISABILITY OR DEATH RESULTS FROM A CONDITION FOR WHICH YOU HAVE SEEN A DOCTOR OR CHIROPRACTOR IN THE SIX MONTHS BEFORE THE ADVANCE OR CHARGE.
